THE
PRESIDENT'S
MESSAGE

Dear Members of the Danville-Alamo Garden Club:

As I look over this summer, I wonder how to thank adequately all of you who have helped so graciously. It has been a progressive and rewarding time. These few words will sum up how I feel, "What sunshine is to flowers, smiles are to humanity. They are but trifles, to be sure; but, scattered along life's pathway, the good they do is inconceivable." - Joseph Addison

Sincerely,

Patricia Cassell
